Specifications

Bulb characteristics

- Shape: Stick
- Cap/fitting: E27
- Voltage: 220-240 V
- Dimmable: No

Light characteristics

- Rated center beam intensity: not applicable cd cd
- Color: Warm White
- Color temperature: 2700 K

- Light effect/finish: Warm White
- Color rendering index (CRI): 81

Durability

- Lifetime of lamp: 8000 hour(s)
- Average life (at 2.7 hrs/day): 8 year(s)

Bulb dimensions

- Height: 10.7 mm
- Width: 3.8 mm

Highlights

Reliable quality

Philips keeps its promises about lamp performance. You can trust what the Philips packaging is saying about light output, lifetime and wattage equivalent to incandescent lamps.

Carbon footprint

Energy savers reduce the amount of energy in your home, which not only results in a lower energy bill, but also in less carbon (CO₂) output by your energy supplier. Together we make this a better world to live in.

Energy efficient

All Philips energy savers save energy from the moment you turn the switch. During their lifetime they use fewer kW and thus also result in a lower energy bill. The level of energy saving differs per lamp type and technology.
